WITH OUR EXCHANGES.

The strike of the street car conductors and motormen at Pensacola has terminated, and the cars are once more running on schedule time.

Editor A. P. Jordan of the Punta Gorda Herald, says that Philadelphia capitalists are to erect at once, at that place, an ice and fish freezing plant which will be the largest in the United States.

A negro named Bill Young was shot to death at Chipley in West Florida last Friday. After confessing to the commission of an assault upon Miss Earrow, of that place some days before, he was taken from the jail by a mob and tied to a tree and about 1,000 shots fired into his body by the officiating mob. After the smoke had cleared away, the acting coroner had his inning, and the jury, after a patient, prayerful and exhaustive investigation, brought in a verdict that the deceased came to his death from "heart failure."—Suwannee Democrat.

According to the rumor which comes from Montgomery, Mrs. Alice Pitt-Hill, now Mrs. Robert L. Taylor, gave up a fortune of \$100,000 when she married former governor "Bob" Taylor, of Tennessee, at Tuscaloosa, Ala., the other day. It is related that the former husband of Mrs. Taylor left a fortune at his death of \$100,000. His will, it is said, provided that if his widow married again all the money was to go to her two sons and in case of their death before they were 21, every dollar is to go the family of Mr. Hill.

Permits for the erection of 1,200 buildings have been issued in Jacksonville since the fire. When it is recalled that about 1,700 buildings were destroyed, some idea may be gained of the rapidity with which that city is being rebuilt. It may also be mentioned that it is quite probable that the buildings for which permits have been issued will probably equal in cost of construction the value of the total number destroyed, as much finer and more expensive buildings than those destroyed are being erected.—St. Augustine Record.

The anarchists ought to be crushed with a strong, remorseless hand.

Extension of S. A. L. Railway Service.

Effective August 25th, train service was commenced on the Brunswick and Birmingham Railroad, operating from Tallmann, Ga., on the S. A. L. to Brunswick, Ga. On Sept. 1st, through trains will be inaugurated between Brunswick and Savannah, Ga.

This gives the Seaboard Air Line an entrance to Brunswick, St. Simon Island, Cumberland Island and Jekyll Island, and forms the short line between Savannah and Brunswick and between Brunswick and Jacksonville, Fla.
